

Product Sales Sheet

As of October 31, 2025

Item	Details
Product Name	PLANET SCB Card
Product Type	Prepaid card
Main Conditions	Service Application - PLANET SCB Card applicants shall have an SCB savings or current account. This card will not be tied with any account. - One customer can hold only one PLANET SCB Card. - Applicants already having an SCB deposit account can apply for the card at any SCB branch or via the SCB EASY App. - PLANET SCB Cards must be activated within 180 days from the card application date. Service Use - Cardholders can add Thai baht (THB) to their PLANET SCB Card and exchange it into any of the following 13 foreign currencies via the SCB EASY App: USD, EUR, GBP, JPY, AUD, CHF, SGD, HKD, NZD, CAD, CNY, KRW, and TWD. - Cardholders can exchange THB into foreign currencies and vice versa via the SCB EASY App for up to 5 transactions/day, at special exchange rates exclusively for PLANET SCB Cardholders without currency exchange fees. Cardholders can check exclusive exchange rates via the SCB EASY App. - Cardholders can make payment for products and services with the card at merchants accepting payments with electronic data capture (EDC) machines displaying the VISA payWave logo, or via any electronic channels displaying the VISA logo, or via local and international websites. Payments can be made in THB or foreign currencies. - Cardholders can withdraw cash in the specified foreign currencies at ATMs displaying the VISA logo worldwide (only at overseas ATMs accepting the card). - In the event that the card balance of the currency selected for payment of products and/or services or cash withdrawal is insufficient, the system will automatically convert the THB balance available in the card into the currency selected for the transaction at an exclusive rate at that time. In case of an insufficient or unavailable THB balance in the card, no exchange will be made and the transaction will be rejected in the whole amount. - The card is valid for 5 years, whereas the balance will never expire. (Cardholders may transfer the balance to an SCB savings or current account tied with the SCB EASY App or a new card.)
Minimum and Maximum Top-up Amount (Baht)	- The minimum top-up amount is 100 baht/time. - The maximum top-up amount via all channels is 500,000 baht/card/day (including all currencies when making a top-up).

Item	Details
	The maximum balance in all currencies at any time is 500,000 baht, unless there is a change in the currency rate which results in the balance exceeding the maximum amount.
Transaction Limit	- Payment of products and/or services: 500,000 baht/day (all currencies in the card combined) - Cash withdrawal at overseas ATMs: 300,000 baht/day (all currencies in the card combined)
Application and Top-up Service Points	Application Service Point - SCB EASY App - Any SCB branches where PLANET SCB Card service is available THB Top-up Service Point - SCB EASY App
Fees	Annual Fee: None Entry/New Card Issuance Fee: 200 Baht Overseas Transaction Fees - Cash withdrawal at overseas ATMs: 100 baht/transaction. There may be other fee(s) charged by destination banks depending on the bank. - The exchange rate for cash withdrawals and product and service payments in currencies other than those stored in the card will be quoted in THB, based on VISA's benchmark rate (no 2.5% charge of the transaction amount on currency conversion applied)
Enable / Disable Card online payment	Effective 19 Feb. 2022, your SCB prepaid card will be set as 'disable for international online shopping' by default. Cardholders can enable or disable online payments for local and international shopping / payments by themselves via the SCB Easy Application. For more information, please visit: https://www.scb.co.th/th/personal-banking/cards/prepaid-cards/announcement/unblock-ecom.html Notes: Fund transfer from cards to deposit accounts will also be locked for cards disabled for local online payments. Customers must unlock the feature by following the steps outlined above in order to transfer money from the card.
Notifications of Change in Service Conditions or Key Reminders	In case of any changes to conditions and fees related to PLANET SCB Card that are disadvantageous to customers, the Bank will notify the Cardholder no less than 30 days in advance.
Cardholder's Responsibility in Case of Card Loss	Cardholders are advised to have their card frozen immediately via the SCB EASY App or notify the SCB Call Center at 02-777-7777.
Contact Channels	SCB Thailand Facebook Page, the SCB Call Center at 02-777-7777, or any SCB branch

Item	Details
Complaint Channels	• SCB branches, the SCB Call Center at 02-777-7777, the SCB Easy App (You Tell Us tab), the BOT's Financial Consumer Protection Center (FCC) hotline 1213, or e-mail: fcc@bot.or.th
Cautions	• Do not write your personal identification number (PIN) on your card. • In the event that the card balance of the currency selected for payment of products and/or services or cash withdrawal is insufficient, the system will automatically convert the THB balance available in the card into the currency selected for the transaction at the current exchange rate. • If the card is lost, please have it frozen immediately to prevent possible loss of money in the card. • For any inquiries, please call the SCB Call Center at 02-777-7777.
